TEEX is happy to announce that we have received approval for funding under the TxDOT EMS Education Grant for FY2019.

Applications can be submitted at any time and will be reviewed in the order in which they are received. In order to ensure a smooth class start, classes cannot begin prior to October 15, 2018 and must have a written award letter from TEEX-TxDOT EMS Education Grant staff to be eligible for reimbursements.

Please read the entire application due to changes.

1. **Letter of Necessity**
   This letter should be on agency letterhead and include the following information:
   - Your response coverage area,
   - How many total staff and how many volunteers your service has
   - Your EMS training budget.
   - Your county of operation
   - Other jurisdictions/Agencies who will participate in the course
   In one-two paragraphs, provide a brief summary, explaining your need for funding. **Applications will not be considered without this letter.**

2. **Enrollment Requirements**
   In order to maximize impact of funding, your agency must invite surrounding jurisdictions to attend. This will serve as a component of evaluation during the ranking process.
